During the performance of this Contract, the Contractor agrees as follows: (i) The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex national origin, age, disability, or other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the

Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause. (ii) The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an equal opportunity employer. (iii) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section. During the performance of this Contract, the Contractor agrees to provide services to the City in accordance with the highest standards in the construction industry.

The City of Hampton cannot legally agree to any clause indemnifying the Contractor from any damages arising out of the Contract or holding the Contractor harmless. The submission of a bid or a proposal constitutes an agreement by the Contractor not to request such language in the resulting Contract.

By signing and submitting a bid or offer under this solicitation, the bidder certifies that if awarded the Contract, it will have the following insurance coverages at the time the Contract is awarded. Certification must be completed by the awarded Contractor within ten (10) days from the date of award. If any subcontractors are involved, the subcontractor will have workers compensation insurance in accordance with 2.2-4332 and 65.2-800 et seq. of the Code of Virginia.

**CITY OF HAMPTON, VIRGINIA AND HAMPTON CITY PUBLIC SCHOOLS
INSTRUCTIONS AND INFORMATION
ON COMPLYING WITH CITY INSURANCE REQUIREMENTS**

This information is to assist the Contractor to understand the insurance requirements of the City of Hampton (CITY) and Hampton City Public Schools (HCS). Contractors are encouraged to share this information with insurance agents and brokers.

1. Agreement/Reference. All evidence of insurance must identify the nature of your business with the CITY/HCS. Clearly show any assigned number of a bid, Contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your insurance is properly assigned to the correct project. It is important that you **provide the types of coverage and minimum dollar amounts specified in the RFP or ITB document. Failure to provide the requested amounts may lead to disqualification and increase processing time.**

2. When to submit. Normally no work may begin until the certificate of insurance (COI) with proper endorsement has been received. It is important that the certificate and endorsement be provided as early as practicable. For **As-needed Contracts**, insurance need not be submitted until a specific job has been awarded. **Design Professionals** coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.

3. Acceptable Evidence and Approval. Proof of insurance is normally provided on an industry form known as the ACORD Certificate of Insurance. Insurance industry certificates other than the ACORD may be accepted after review. In addition to the ACORD form, an Insured Endorsement naming the CITY or HCS as an additional insured that has been completed by your insurance company or its designee must be attached to the COI. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the CITY is an automatic or blanket additional insured and the substantiating endorsement must be attached. Attaching the section of the insurance policy covering contractual additional insureds may be used until the actual endorsement is received.

All evidence of insurance must be authorized for the insurance provider by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter.

Acceptable Alternatives to ACORD Certificates and other Insurance Certificates:

- **A copy of the full insurance policy.**
- **Binders and Cover Notes** are also acceptable as interim evidence for up to ninety (90) days from date of approval.
- **Self-Insured** contractors or vendors must submit for review to the Risk Manager documentation of its financial ability to self-insure for each coverage required. (See Para 6 below.)

Additional Insured Endorsements DO NOT apply to the following:

- Indication of compliance with statute, such as Workers' Compensation Law
- Professional Liability insurance

4. **Renewal.** Upon renewal of any insurance policy it is the responsibility of the Contractor to provide the updated ACORD Certificate of Insurance or other acceptable documentation to the CITY or HCS. If your policy number changes you must also submit a new Additional Insured Endorsement with an Insurance Industry Certificate.

5. **Cancellation.** The Contractor/vendor must inform the CITY/HCS thirty (30) days before insurance is cancelled or not renewed. The requirement for the insurance company to inform the additional insured(s) is not enforceable. Failure to inform must be considered a substantive violation of the Contract and could result in the Contract being cancelled.

6. **Alternative Programs/Self-Insurance.** Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY Risk Manager has reviewed the relevant documents. Any contractor or vendor that wishes to satisfy insurance requirements as a self-insured party must receive permission from the Risk Manager by submitting a request to the Risk Management Department.

7. **General Liability.** General liability insurance covering your operations (and products, where applicable) is required whenever the CITY or HCS is at risk of:

- **Third-party claims** which may arise out of your work or your presence or special event on city premises.
- **Sexual misconduct claims coverage** is a required coverage when the work performed involves minors.
- **Fire legal liability insurance** is required for persons occupying a portion of CITY or HCS premises.

8. **Automobile Liability** insurance is required only when vehicles are used in performing the work of the Contract or when they are driven off-road on CITY or HCS premises; it is not required for simple commuting unless CITY or HCS is paying mileage. However, compliance with Virginia law requiring auto liability insurance is a contractual requirement.

9. **Errors and Omissions** coverage will be specified on a project-by-project basis if a Contractor is working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

10. **Workers' Compensation and Employer's Liability** insurance are not required for single-person contractors. However, under state law the minimum coverages (or a copy of the state's Consent To Self-Insure) must be provided if the Contractor has any employees at any time during the period of this Contract. Contractors with no employees

must complete a Request for Waiver of Workers' Compensation Insurance Requirement that can be obtained from Risk Management.

A Waiver of Subrogation on the coverage is required only for jobs where a Contractor's employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer's right to recover (from the CITY) any workers' compensation paid to an injured employee of the Contractor.

11. Property Insurance is required for persons having exclusive use of premises or equipment owned or controlled by the CITY.

12. Builder's Risk/Course of Construction is insurance coverage that protects the owner's interests in the structure as well as materials, fixtures and/or equipment being used in the construction or renovation of a building or structure should those items sustain physical loss or damage from a covered cause. It is required during construction projects and must include building materials in transit and stored at or away from the project site. This would also include materials purchased by the CITY for installation or erection by the Contractor.

13. Surety or Bond coverage may be required to guarantee performance of work and payment to vendors and suppliers. A Fidelity Bond may be required to handle CITY funds or securities, and under certain other conditions. Specialty coverages may be needed for certain operations as outlined in the RFP or ITB.

If the City, after due investigation, has reasonable objection to any proposed Subcontractor, other person and organization, the City may, before giving the Notice of Award, request the apparent low bidder to submit an acceptable substitute without an increase in bid price. If the apparent low bidder declines to make any such substitution, the contract shall not be awarded to such bidder. For any Subcontractors, other persons, or organization so listed and to

whom City does not make written objection prior to giving the Notice of Award, it will be deemed the City has no objection.

Debarment:

By submitting their bid, bidders certify that they are not now debarred by the Federal Government or by the Commonwealth of Virginia or by any other state, or by any town, city, or county, from submitting bids on contracts for construction covered by this solicitation, nor are they an agent of any person or entity that is now so debarred.

Pursuant to Section 2.2-4302.1 of the Virginia Public Procurement Act, evaluation of the bids will be based upon the requirements set forth in the Invitation to Bid #17-06/EA.

Basis for Award:

Contract award will be made to the lowest responsive and responsible bidder.

The City of Hampton reserves the right to negotiate with the lowest responsible bidder in the event that price exceeds available funds. Such negotiation shall be in compliance with Sec. 2-337(e) Code of Hampton, Virginia.

The City of Hampton reserves the right to reject any and all responses, to make awards in whole or in part, and to waive any informalities in submittals.

Changes affecting cost and/or Extra Work shall be performed at mutually agreed-upon unit prices, or on a lump sum basis. The Contractor shall be prepared to justify any price for Extra Work by providing detailed breakdown and supporting documents when requested by the City.
 - 1. If sub-contractor does the actual Work, the mark-up shall be limited to a maximum of fifteen percent (15%). If the Subcontractor does not enter into the Work, it shall not be added into the cost. General Contractor mark-up shall be limited to a maximum of ten percent (10%).
 - 2. If the General Contractor is solely responsible for the Work the maximum mark-up shall be limited to ten percent (10%).

- B.** Changes in the Scope of Work affecting Contract cost or Extra Work shall be performed only after receipt of a formal written modification to the Contract. Any Work performed prior to receipt of such formal written modification shall be done at the Contractor's risk.
- C.** The provisions of (A) and (B) above shall not limit or restrict the Contractor's responsibility or authority for emergency work.
- D.** Should the number of units of completed Work of any individual items of the Bid sheets vary by more than twenty-five percent (25%) from the estimated number of units, either the City or the Contractor may request a revision of the unit price for the item so affected, and both Parties agree that under such conditions an equitable revision of the price shall be made.

SECTION 7. SCHEDULE OF PAYMENT

- A.** The following Schedule of Payment shall be followed:

- (a)** On Contracts of less than ten thousand dollars (\$10,000) or Contracts where Work is to be completed in less than forty-five (45) days, payment shall be made as a lump sum upon completion of all Work and acceptance by the City. Such payment shall be subject to retainage as defined in the General Conditions, Acceptance and Final Payment.

- 1. After the first of each month, Contractor may present to the City an invoice covering the total quantity of Work that has been completed from the start of the job up to and including the last day of the preceding month, and the value of the Work so completed as determined in accordance with the schedule of measurement and values established for the Contract. The monthly invoice also may include any allowance for the cost of such materials and equipment required in the permanent Work as have been delivered to the site but not as yet incorporated in the Work. However, any such allowance shall not be included on the monthly invoice unless the Contractor has received prior approval from the City.

Receiving payment from the City for material stored on site does not in any manner relieve Contractor of either its responsibility to properly protect the material or its sole liability to replace material damaged or stolen. Payment by the City shall not be evidence that the City either approves material as suitable for the Work intended, or that the City accepts any liability for the safe storage and protection of the material or its replacement if damaged or stolen.

The City reserves the right to request additional documentation from the Contractor to support any request for payment.

- 2. After determining the accuracy of monthly invoices, and after deducting previous payments made, the City shall pay to the Contractor ninety-five percent (95%) of the amount of the approved invoice. The five percent (5%) retained percentage shall be held by the City until the Work is complete.
- 3. The City shall make payment to the Contractor within forty-five (45) days from the date each invoice is received by the City or its agent responsible for approval of such invoices.

Within twenty (20) days after receipt of the invoice, the City shall notify the Contractor of any defect or impropriety which would prevent payment within the forty-five (45) day limit.

The City's failure to pay within forty-five (45) days shall allow the Contractor to assess a finance charge not to exceed one percent (1%) per month.

SECTION 8. OBLIGATION TO SUBCONTRACTOR / INTEREST RATE

- A. Within seven (7) days after receipt of amounts paid to the Contractor by the City, the Contractor shall take one of two steps relating to Work performed by the Subcontractor.
1. Pay the Subcontractor for the proportionate share of the total payment received from the City attributable to the Work performed by the Subcontractor under that Contract; or
 2. Notify the City and the Subcontractor, in writing, of intention to withhold all or a part of the Subcontractor's payment with the reason for nonpayment.

Unless the Contractor has complied with subsections 1 or 2 above, interest shall accrue to the Subcontractor at the rate of one percent (1%) per month.

- B. The Contractor's obligation to pay an interest charge to a Subcontractor pursuant to the payment clause in this Section shall not be construed to be an obligation of the City. A Contract modification shall not be made for the purpose of providing reimbursement for the interest charge. A cost reimbursement claim shall not include any amount for reimbursement for the interest charge.

The Contractor shall require each Subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier Subcontractor.

- C. Upon written request and authorization to do so, the City may consider making payments directly to Subcontractors and deduct the amount due the Contractor. Any amount so paid by the City shall be subject to the five percent (5%) retainage. Any such payment shall not relieve the Contractor of any obligations under this Contract nor shall any such payment limit or reduce any recourse of action or rights of the City relative to this Contract.

The City will be responsible for the adequacy of design and sufficiency of the Drawings and/or Specifications, issuing, if necessary, addendum to clarify the Work. However, when the Work involved is that common to a trade or industry, which may be judged as acceptable, or not by commonly accepted standards for a specific trade, the Contractor shall not use the inadequacy or omission of Drawing detail or Specification language to excuse its failure to perform to the highest industry standards. All Drawings and/or Specifications shall remain the property of the City and shall not be reused on other Work by the Contractor.

SECTION 19. ACCESS TO WORK SITE

The City shall provide access to the site upon which the Work under this Contract is to be done and to such other areas which are designated for use by the Contractor.

Any Work done after such discovery, until authorized, will be done at the Contractor's risk except in the event of an emergency.

SECTION 21. CHANGED CONDITIONS

During the course of the Work and before such conditions are disturbed, except in the event of any emergency, the Contractor promptly shall notify the Project Manager in writing of previously unknown conditions at the Work site, differing materially from those ordinarily encountered and which prevent the proper execution of the Work of the character provided for in this Contract. The Project Manager promptly shall investigate the conditions; and if he finds that such conditions materially differ and cause an increase or decrease in the cost of, or the time required for, performance of this Contract, an equitable adjustment shall be made and the Contract formally modified accordingly. Any claim of the Contractor for adjustment hereunder shall not be allowed unless it has given notice as required above and the Contract has been formally modified.

SECTION 31. ORDER OF COMPLETION

The Contractor shall submit, as soon as practical after Award of Contract, a schedule which shall show the order (and value of) in which the Contractor proposes to carry on the Work, with dates at which the Contractor will start the several parts of the Work, and estimated dates of completion of the several parts. The schedule of values, once approved by City, shall be the basis for submittal and approval of monthly progress payments.

SECTION 32. SEPARATE CONTRACTS

The City reserves the right to allow other Contractors to provide goods or perform services in connection with the Project. The Contractor shall afford other Contractors reasonable opportunity for the introduction and storage of materials and the execution of Work and properly shall connect and coordinate its Work with theirs. If the proper execution or results of any part of the Contractor’s Work depends upon the Work of any other Contractors, the Contractor shall inspect and promptly report to the Project Manager any defects in such Work that render it unsuitable for such proper execution and results.

SECTION 33. PROJECT MANAGER’S STATUS

The Project Manager at all times shall have access to the Work whenever it is in preparation or progress, and the Contractor shall provide proper facilities for such access and for inspection.

The Project Manager shall perform technical inspection of the Work. He has authority to stop the Work whenever such stoppage may be necessary to insure the proper execution of the Contract. He also shall have authority to reject all Work and materials which do not conform to the Contract and to decide questions which arise in the execution of the Work.

Notwithstanding such inspection, the Contractor will be held responsible for the acceptability of the finished Work. If the specifications, the Project Manager’s instructions, laws, ordinances, or any public authority require any Work to be specially tested or approved, the Contractor shall give the Project Manager timely notice to its readiness for inspection, and if the inspection is by an authority other than the City, of the date fixed for such inspection. If any Work required to be inspected should be covered without proper approval or consent, if required, it must be uncovered for examination and properly restored at the Contractor’s expense.

Reexamination of any Work may be ordered, and if so ordered, the Work must be uncovered by the Contractor. If such Work is found to be in accordance with the Contract, the City shall pay the cost of

reexamination and replacement. If such Work is not in accordance with the Contract, the Contractor shall pay such cost.

The Project Manager's presence and actions do not replace the legal requirements of the Commonwealth and/or local building codes. Notwithstanding the Project Manager's actions or instructions, the Contractor shall adhere to all building code requirements regarding inspection and approvals.

Whenever Work being done by the City's forces, utility companies, or by other contractors' forces is contiguous to Work covered by this Contract, the respective rights of the various interests involved shall be established by the Project Manager to secure the completion of the various portions of the Work in general harmony.

Within a reasonable time after presentation to him, the Project Manager shall make decisions in writing on all matters relating to the execution and progress of the Work or the interpretation of the Specifications and/or drawings.

In making these decisions, the Project Manager shall have authority to make interpretations and minor changes as to the scope of Work not involving extra cost, and not inconsistent with the purpose of the Work. If the Contractor claims that any such instructions involve extra cost, it shall give written notice thereof within ten (10) days, after the receipt of such instruction. Except in an emergency endangering life and/or property, the City shall accept no extra cost unless pursuant to a formal modification of the Contract.

SECTION 34. RESPONSIBILITY FOR WORK

The Contractor assumes full responsibility for the Work until final acceptance. The Contractor shall be responsible for damage to or destruction of the Work caused by the negligence of the Contractor, or any other party under the control and supervision of the Contractor. Contractor shall obtain and maintain in force until City's Final Acceptance of Project, Builders' Risk Insurance that fully covers any loss or damage to Project.

SECTION 35. CHANGES IN THE WORK

All such Work shall be executed under the conditions of the original Contract except that any claim for extension of time caused thereby shall be included as part of the negotiated Change Order.

SECTION 36. EXTENSION OF TIME

- A. Extension of time stipulated in the Contract for completion of the Work will be made when formally approved changes in the Work increase the overall scope; when the Work is suspended; or when the Work of the Contractor is delayed on account of physical conditions or acts of others which could not have been foreseen by, or which were beyond the control of the Contractor, its Subcontractors, and which were not the result of its fault or negligence.
- B. **NO TIME EXTENSION WILL BE GRANTED BY THE CITY UNLESS THE FOLLOWING PROCESS IS FOLLOWED.**

If, during any month the Contractor is unable to Work for reasons beyond its control and believes it is due an extension, it shall submit in writing, along with its monthly request for progress payments, a request for the extension which clearly explains the circumstances which it feels justifies an extension. The request will be reviewed by the City and a written response, granting or rejecting the request, will be issued. Any request for days older than the

current month will be dismissed without consideration. Time extensions shall constitute a formal change to the Contract terms and conditions and shall be issued accordingly.

SECTION 37. SUSPENSION OF WORK

The City may at any time suspend the Work, or any part thereof, by giving ten (10) days' notice to the Contractor in writing. The Work shall be resumed by the Contractor within ten (10) days after the date fixed in the written notice from the City to the Contractor to do so. The City shall reimburse the Contractor for expenses incurred as a result of such suspension.

SECTION 38. TERMINATION

A. Contractor's Right to Stop Work or Terminate Contract

If the Work should be suspended by City, stopped under an order of any court or other public authority, or delayed by Project Manager's failure to respond for a period of more than three (3) months, through no act or fault of the Contractor or of anyone employed by it, upon having given ten (10) days written notice, and having received no reply, the Contractor may terminate Contract. The Contractor shall be paid for all Work properly executed, plus any loss sustained upon any plant or materials plus reasonable profit and damages.

B. Non-Appropriation –Availability of Funds

It is understood and agreed between the Parties that the City shall be bound and obligated hereunder only to the extent that the funds shall have been appropriated and budgeted for the purpose of this Contract. In the event funds are not appropriated and budgeted in any fiscal year for payments due under this Contract, the City immediately shall notify Contractor of such occurrence, and this Contract shall terminate on the last day of the fiscal year for which an appropriation was received without penalty or expense to the City of any kind whatsoever.

C. Termination for Convenience

The City may at any time, and for any reason terminate this Contract by written notice to the Contractor specifying the termination date, which shall be not less than thirty (30) days from the date such notice is mailed. Notice shall be given to the Contractor by certified mail/return receipt requested at the address set forth in Contractor's Bid Proposal.

In the event of such termination, the Contractor shall be paid such amount as shall compensate the Contractor for the Work satisfactorily completed and accepted by the City at the time of termination. If the City terminates this Contract, Contractor shall withdraw its personnel and equipment, cease performance of any further Work under this Contract, and turn over to the City any Work completed or in process for which payment has been made.

D. Termination with Cause/Default – Cancellation

If the Contractor for any reason or through any cause shall be in default of the terms of this Contract, the City may give Contractor written notice of such default by certified mail/return receipt requested at the address set forth in Contractor's Bid Proposal.

Unless otherwise provided, the Contractor shall have ten (10) days from the date such notice is mailed in which to cure the default. Upon failure of the Contractor to cure the default, the City immediately may cancel and terminate this Contract as of the mailing date of the default notice.

Upon termination, the Contractor shall withdraw its personnel and equipment, cease performance of any further Work under the Contract, and turn over to the City any Work in process for which payment has been made.

In the event of violations of law, safety, or health standards and regulations, this Contract immediately may be cancelled and terminated by the City and provisions herein with respect to opportunity to cure default shall not be applicable.

SECTION 39. REMOVAL OF EQUIPMENT

In the case of termination of this Contract before completion for any cause whatever, the Contractor, if notified to do so by the City, shall promptly remove any part or all of its equipment and supplies from the property, failing to do so, the City shall have the right to remove such equipment and supplies at the expense of the Contractor.

SECTION 40. PARTIAL COMPLETION AND ACCEPTANCE

If at any time prior to final completion, any portion of the Work has been satisfactorily completed, and if the Project Manager determines that access to that portion is not required for the future operation of the Contractor, the Project Manager may issue to the Contractor a certificate of partial completion, and thereupon or at any time thereafter the City may take over and use the portion of the Work described in such certificate.

The issuance of a certificate of partial completion shall not be construed to constitute an extension of the Contractor's time to complete the portion of the Work to which it relates if it has failed to complete it in accordance with the terms of this Contract. The issuance of such a certificate shall not operate to release the Contractor or its Sureties from any obligations under this Contract or performance bond.

If such prior use increases the cost of or delays the Work, the Contractor shall be entitled to extra compensation, or extension of time, or both, as the City may determine, unless otherwise provided.

SECTION 41. PAYMENTS WITHHELD PRIOR TO FINAL ACCEPTANCE OF WORK

As a result of discovered evidence, the City may withhold or nullify the whole or part of any certificate of payment to such extent as may be necessary to protect itself from loss caused by:

- A. Defective Work not remedied;
- B. Claims filed or reasonable evidence indicating probable filing of claims by other parties against the Contractor;
- C. Failure of the Contractor of making payments properly to Subcontractors or for material or labor; or
- D. Damage to another Contractor.

SECTION 42. CORRECTION OF WORK BEFORE FINAL PAYMENT

The Contractor promptly shall remove from the premises all materials and Work condemned by the Project Manager as failing to meet Contract requirements, regardless of whether incorporated in the Work, and the Contractor promptly shall replace materials and/or re-execute Work in accordance with the Contract and without expense to the City and shall bear the expense of making good all Work of other contractors destroyed or damaged by such removal or replacement.

All removal and replacement Work shall be done at the Contractor's expense. If the Contractor does not take action to remove such condemned Work and materials within ten (10) days after written notice, the

City may remove them and store the materials at the expense of the Contractor. If the Contractor does not pay the expense of such removal and storage within ten (10) days time thereafter, the City may, upon ten (10) days written notice, sell such materials at auction or at private sale and shall pay to the Contractor any net proceeds thereof, after deducting all the costs and expenses that should have been borne by the City.

SECTION 43. CLEAN UP

The Contractor shall remove at its own expense from the Work site and from all public and private property all temporary storage structures, rubbish, and waste materials resulting from its operations. This requirement shall not apply to property used for permanent disposal of rubbish or waste materials in accordance with permission for such disposal granted to the Contractor by the Project Manager where such disposal is in accordance with local ordinances.

SECTION 44. ACCEPTANCE AND FINAL PAYMENT

- A. Upon receipt of written notice that the Work is substantially completed or ready for final inspection and acceptance, the Project Manager promptly will make such inspection; and when he finds the Work acceptable under the Contract and the Contract fully performed or substantially completed, he promptly shall issue a certificate, over his own signature, stating that the Work required by this Contract has been completed or substantially completed and is accepted by him under the terms and conditions thereof, and the entire balance found to be due the Contractor, including the retained percentage, less a retention based on the estimate of the fair value of the claims against the Contractor and the cost of completing the incomplete or unsatisfactory items of Work with specified amounts for each incomplete or defective item or Work, is due and payable. The date of Substantial Completion of a Project or specified area of a Project is the date when the construction is sufficiently completed in accordance with the Contract as modified by any Change Orders agreed to by the Parties so that the City may occupy the Project or specified area of the Project for the use for which it is intended.
- B. The making and acceptance of the final payment shall constitute a waiver of all claims by the City, other than those arising from unsettled claims or from faulty Work appearing within the guarantee period provided in the Special Conditions, from the requirements of the Drawings and Specifications, or from manufacturer's guarantees. It also shall constitute a waiver of all claims by the Contractor, except those previously made and still unsettled.

SECTION 45. HOLD HARMLESS-INDEMNIFICATION

It is understood and agreed that Contractor hereby assumes the entire responsibility and liability for any and all damages to persons or property caused by or resulting from or arising out of any act or omission on the part of Contractor, its Subcontractors, agents or employees under or in connection with this Contract or the performance or failure to perform any Work required by this Contract. Contractor agrees to indemnify and hold harmless the City and its agents, volunteers, servants, employees, and officials from and against any and all claims, losses, or expenses, including reasonable attorney's fees and litigation expenses suffered by any indemnified party or entity as the result of claims or suits due to, arising out of or in connection with (a) any and all such damages, real or alleged, (b) the violation of any law applicable to this Contract, and (c) the performance of the Work by Contractor or those for whom Contractor legally is liable. Upon the City's written demand, Contractor shall assume and defend at Contractor's sole expense any and all such suits or defense of claims made against the City, its agents, volunteers, servants, employees or officials.

- A. Workers' Compensation Insurance as required under Virginia Code Title 65.2.

- B.** Comprehensive General Liability Insurance, including Contractual liability and products and completed operations liability coverages, in an amount not less than One Million and 00/100 Dollars (\$1,000,000.00) combined single limits (CSL). Such insurance shall name the City of Hampton as an additional insured by policy endorsement.
- C.** Automobile Liability Insurance including coverage for non-owned and hired vehicles in an amount not less than One Million and 00/100 Dollars (\$1,000,000.00) combined single limits (CSL).
- D.** Umbrella/Excess Liability Insurance at limits not less than Two Million and 00/100 Dollars (\$2,000,000.00).

Contractor shall submit to the Procurement Officer certificates of insurance with endorsement to the policy attached, prior to beginning Work under this Contract and no later than ten (10) days after Award of the Contract.

All policies of insurance required herein shall be written by insurance companies licensed to conduct the business of insurance in the State, and acceptable to the City, and shall carry the provision that the insurance will not be cancelled or materially modified by Contractor without thirty (30) days prior written notice to the City.

The Contractor's insurance shall be used primary and the City's primary coverage shall not be used to satisfy any Claims.

IT IS THE RESPONSIBILITY OF THE CONTRACTOR TO IMMEDIATELY NOTIFY THE CITY SHOULD ANY POLICY BE CANCELLED. FAILURE TO NOTIFY THE CITY SHALL CONSTITUTE A MATERIAL BREACH OF THE CONTRACT.

The certificates of insurance shall list the City of Hampton, 1 Franklin Street, Hampton, Virginia 23669, as the additional insured for the Project. The endorsement to the policy would be that which is attached to the Contractor's liability policy that acknowledges the City as an additional insured on all policies the City requires to be endorsed. This shall be either a direct endorsement that actually names the City or a blanket endorsement that the Contract states that the City will be named as an additional insured on the insurance policy.

SECTION 47. PAYMENT/PERFORMANCE BONDS

Unless otherwise noted, all Surety documents required herein shall be received and approved by the Procurement Officer prior to beginning Work under the Contract and not later than ten (10) days after issuance of the "Notice of Intent to Award" or "Notice of Award" (whichever is sooner) for this ITB. Each of the required bonds shall be payable to the City of Hampton. Bonds shall be executed by one or more Surety companies legally authorized to issue bonds and do business in the Commonwealth. Said bonds shall be payable to the City of Hampton, 1 Franklin Street, Hampton, Virginia 23669. With the exception of any required Bid Bond, each of the required bonds shall be maintained through the term of the Contract and any extensions.

Contractor shall furnish to the City a payment bond and a performance bond in conformity with the Virginia Code §§ 2.2-4337, *et seq.* Each bond shall be payable to the City of Hampton and each in the sum of the City's Contract amount. The performance bond shall be conditioned upon the faithful performance of the Contract in strict conformity with the terms and conditions of the Contract, and each payment bond shall be conditioned upon the prompt payment for all such material furnished or labor supplied or performed in the prosecution of the Work.

SECTION 48. CLAIMS FOR EXTRA COMPENSATION

If Contractor encounters Work and services not included in this Contract or any supplement thereto but which in the opinion of Contractor is necessary for the successful completion of the Contract and requires extra compensation, before it begins the Work on which it bases its claim, Contractor shall promptly notify the City in writing of its intention to perform the Work and to make claim for extra compensation. Notification by Contractor under the terms of this Section shall not be construed as proving the validity of the claim. **No claim for extra compensation will be filed or considered unless notification is given as herein set forth.**

Upon notification, the City shall promptly review any claim for extra compensation. If a claim is accepted by the City, it shall be paid as Extra Work in accordance with the terms of a supplemental agreement executed by the Parties before such Work is begun.

The amounts claimed as extra compensation by Contractor shall be itemized separately, become a part of the claim, and serve as documentation thereto. The amounts itemized shall be in sufficient detail to enable the City to analyze the need for the Extra Work and the costs claimed for the Work.

SECTION 49. SUBMISSION AND DISPOSITION OF CONTRACTUAL CLAIMS

Prompt knowledge by the City of an existing or impending claim for damages or other relief may alter the plans, scheduling, or other action of City and/or result in mitigation or elimination of the effects of the claim.

Therefore, a written statement providing City with notice of Contractor's intention to file a claim which (i) describes the act or omission by City or its agents that Contractor contends caused it damages or entitles it to other relief; and (ii) provides a description of the nature and amount of the claim. Such written statement shall be submitted to City within twenty (20) days of the time of the occurrence or beginning of the Work upon which the claim is based; provided, however, if such damage is deemed certain in the opinion of Contractor to result from its acting on an order from City, it immediately shall take written exception to the order. For purposes of this provision, "claim" shall include, without limitation, any request for an increase in the Contract price or time and any request for equitable adjustment. Submission of a notice of claim as specified shall be mandatory, and failure to submit such notice shall be a conclusive waiver to such claim for damages or other relief by Contractor. Neither an oral notice or statement, nor an untimely notice of statement will be sufficient to satisfy the requirements herein.

The City will review the claim and render a final decision in writing thirty (30) days of receipt of Contractor's written request for a final decision. Such decision shall be final and binding to the fullest extent allowed by law.

RETAINED FUNDS ESCROW AGREEMENT

THIS AGREEMENT, made and entered into this _____ day of _____
_____ by, between and among the City of Hampton, Virginia (City), _____
_____ (Contractor),
_____ (Name of Bank),
_____ (Address of
Bank), a trust company, bank, or savings and loan institution with its principal office located in
the Commonwealth (hereinafter referred to collectively as "Bank") and _____
_____ ("Surety") provides:

I.

The City and the Contractor have entered into a contract with respect to:

_____ ("the contract").
This Agreement is pursuant to, but in no way amends or modifies, the contract. Payments made
hereunder or the release of funds from escrow shall not be deemed approval or acceptance of
performance by the Contractor.

II.

In order to assure full and satisfactory performance by the Contractor of its obligations under the
contract, the City is required thereby to retain certain amounts otherwise due the Contractor. The
Contractor has, with the approval of the City, elected to have these retained amounts held in
escrow by the Bank. This Agreement sets forth the terms of the escrow. The Bank shall not be
deemed a party to, bound by, or required to inquire into the terms of, the contract or any other
instrument or Agreement between the City and the Contractor.

III.

The City shall from time to time, pursuant to its contract, pay to the Bank amounts retained by it
under the contract. Except as to amounts actually withdrawn from Escrow by the City, the
Contractor shall look solely to the Bank for the payment of funds retained under the contract and
paid by the City to the Bank.

The risk of loss by diminution of the principal of any funds invested under the terms of this
contract shall be solely upon the Contractor.

Funds and securities held by the Bank pursuant to this Escrow Agreement shall not be subject to
levy, garnishment, attachment, lien, or other process whatsoever. Contractor agrees not to assign,
pledge, discount, sell or otherwise transfer or dispose of his interest in the escrow account or any
part thereof, except to the Surety.

IV.

Upon receipt of checks drawn by the City and made payable to it as Escrow Agent, the Bank shall
promptly notify the Contractor, negotiate the same and deposit or invest and reinvest the proceeds
in approved securities in accordance with the written instructions of the Contractor. In no event
shall the Bank invest the escrowed funds in any security not approved.

V.

The following securities, and none other, are approved securities for all purposes of this Agreement.

1. United States Treasury Bonds, United States Treasury Notes, United States Treasury Certificates of Indebtedness or United States Treasury Bills.
2. Bonds, notes and other evidences of indebtedness unconditionally guaranteed as to the payment of principal and interest by the United States.
3. Bonds or notes of the Commonwealth of Virginia.
4. Bonds of any political subdivision of the Commonwealth of Virginia, if such bonds carried, at the time of purchase by the Bank or deposit by the Contractor, a Standard and Poor's or Moody's Investors Service rating of at least "A".
5. Certificates of deposit issued by commercial banks located within the Commonwealth, including, but not limited to, those insured by the Bank and its affiliates.
6. Any bonds, notes, or other evidences of indebtedness listed in Sections (1) through (3) may be purchased pursuant to a repurchase Agreement with a bank, within or without the Commonwealth of Virginia having a combined capital, surplus and undivided profit of not less than \$25,000,000, provided the obligation of the Bank to repurchase is within the time limitations established for investments as set forth herein. The repurchase Agreement shall be considered a purchase of such securities even if title, and/or possession of such securities is not transferred to the Escrow Agent, so long as the repurchase obligation of the Bank is collateralized by the securities themselves, and the securities have on the date of the repurchase Agreement a fair market value equal to at least one hundred percent (100%) of the amount of the repurchase obligation of the Bank, and the securities are held by a third party, and segregated from other securities owned by the Bank.

No security is approved hereunder, which matures more than five (5) years after the date of its purchase by the Bank or deposit by the Contractor.

VI.

One of the following methods may be used to withdraw funds from the escrow account:

1. The Contractor may from time to time withdraw the whole or any portion of the escrow funds by depositing with the Bank approved securities listed in Section V above in an amount equal to or in excess of the amount so withdrawn. Any securities so deposited or withdrawn shall be valued at such time of deposit or withdrawal at the lower of par or market value, the latter as determined by the Bank. Any securities so deposited shall thereupon become a part of the escrowed fund.
2. Upon receipt of a direction signed by the City Manager or Director of Finance, the Bank shall pay the principal of the fund, or any specified amount thereof, to the City. Such payment shall be made in cash as soon as is practicable after receipt of the direction.

3. Upon receipt of a direction signed by the City Manager or Director, the Bank shall pay and deliver the principal of the fund, or any specified amount thereof, the Contractor, in cash or in kind, as may be specified by the Contractor. Such payment and delivery shall be made as soon as is practicable after receipt of the direction.

VII.

For its services hereunder the Bank shall be entitled to a reasonable fee in accordance with its published schedule of fees or as may be agreed upon by the Bank and the Contractor. Such fee and any other costs of administration of this Agreement shall be paid from the income earned upon the escrowed fund and, if such income is not sufficient to pay the same, by the Contractor.

VIII.

The net income earned and received upon the principal of the escrowed fund shall be paid over to the Contractor in quarterly or more frequent installments. Until so paid or applied to pay the Bank's fee or any other costs of administration such income shall be deemed a part of the principal of the fund.

IX.

The Surety undertakes no obligation hereby but joins in this Agreement for the sole purpose of acknowledging that its obligations as surety for the Contractor's performance of the Contract are not affected hereby.
